Dunlop 800

On the 2nd July we have the Dunlop 800 at Hampton. This is a relay event for 2K Cup cars. We have five teams of 2K Cup cars coming up from the South Island. 2K Cup is very strong in the South Island with 80 cars competing. 2K Cup have opened up the race to BMW E30 's but as of today no BMW teams have taken up the challenge of racing the 2K Cup cars.

This event is a lot of fun with fairly relaxed rules so you can be sure of getting plenty of track time and the cost per lap is very low. Entry on www.motorsportentry.com

MSNZ Wall of fame

At the Motorsport New Zealand awards night that is part of MSNZ awards ceremony David Oxtan, Jim Palmer and Brendon Hartley were inducted into the MSNZ Wall of Fame. It was pleasing to see David and Jim honoured after all these years. And congratulations to Brendon on winning a world championship

CRC Speedshow 16/17 July

HRC will have two big displays at this years Speedshow, One is the HRC Memory Lane were there will be a display notable historic race cars and bikes. The second will concentrate on the race classes that support HRC events.

All classes are welcome to display on the stand and we are producing 1.2 m x 1.2 m boards for classes to promote their class on and they are welcome to man the stand and hand out flyers and talk to potential racers. I know from my experience that CRC Speedshow is well worth attending as the crowd attending are motor sport enthusiasts

The HRC contact for CRC Speedshow is

NZRDL Series

This is an initiative from IRC, NZIGP, Taupo Car Club ,
Manawatu Car Club and HRC to coordinate a series for
classes outside the Premier Series. The clubs have been
working together now for a number of years to make sure
that clashes do not happen and enables classes to plan
their season over all the North Island tracks. The NZ
Racing Drivers Series is just brand name to identify the
Series. The clubs involved are still independent clubs and
work to together to give competitors the best deal
